Woody's Clubhouse provides each child with the opportunity to share learning experiences and develop physically, socially, cognitively, and emotionally in a safe, friendly, and creative environment. The program is designed for children in Kindergarten/Transitional Kindergarten through 5th grade.

ENRICHMENT CLASSES:

Woody's Enrichment classes are offered for 5-8 weeks beginning April 8, 2024 and ending June 5, 2024. Class times range from 1:45PM – 4:15PM daily based on grade level and course curriculum. Class lengths vary from 30 minutes to 60 minutes. Please note the “**Pick Up Time**” for each class. In order to meet the needs of the diverse age range, we will separate some classes. Children will be signed into Woody’s Clubhouse Childcare Program when the class does not meet. The program follows the same holiday schedule as the Los Angeles Unified School District and classes are only offered on specific dates. Children are welcome to bring snacks from home in lieu of any provided food or snacks. Children will not have access to electronics and technology during enrichment hours. Woody’s Clubhouse has a phone and email address for parents to communicate throughout the day if necessary. In the event of a hazardous situation arising at school due to uncontrollable circumstances, Woody's Clubhouse will be closed for the safety of the children.
